Resurrection Response I John 3

See what love the Father has given us,
that we should be called children of God.

The Eternal One calls us beloved
and that is what we are.

Beloved, we are God's children now;
what will be has not yet been revealed
but we see what love the Father has given us.

Benediction

Peter, brash and bold, unsure, and argumentative, big hearted and quick to step out of the boat, was a believer who followed Jesus all the way to the empty tomb. Luke tells us Peter looked into the empty tomb and returned home, amazed. But then what happens? Does he return to fishing for a living? Does he retire quietly? Luke, in Acts, illuminates that the man who was amazed at the empty tomb bravely and boldly preached the Good News. Today, we conclude our *Wandering Heart* series with Peter's sermon in the temple.
