Benediction

Elemental Faith

Water, Air, Fire, and Earth

Who Knew It Was About Transitions?

lonely

We did not solve the question of “How to end loneliness?” but we did discuss how to support each other in places of transition. Major life transitions such as retirement or divorce invite loneliness. When our friends & family are experiencing transitions, we need to be attentive with words of care or with places of quiet rest. United in Faith Book Club will meet on July 31. Book details are forthcoming.

Preparing for our Churchwide Yard Sale

Our yard sale is scheduled for June 8. In preparation, we need volunteers on Sunday, June 2 to move items from Room 219 to the Fellowship Hall. To volunteer, see Karen or Sandy.

Loan Launch Leaders

You are invited to jumpstart our roof loan payments toward paying on principal. We are asking families to donate a one time sum of around \$200 in June, July, **or** August and these donations will launch us towards paying off the loan!

Annual Conference

The United Methodists of SC will gather in Greenville, SC on June 9-12. In addition to ordaining clergy and celebrating the retirement of clergy, the business of the conference will be conducted. Marlene and Tammy will attend as HSUMC's representatives.

Memorial Day

HSUMC's church office and Heyward Street Preschool will be closed on Monday, May 27 in memory of those who lost their lives serving our country.
