Why Yes, It Does Smell Like Paint

With great joy, our facility received some renovations. There is a new highly durable floor covering in our fellowship hall, both preschool bathrooms received complete over-hauls from exhaust fans to flooring, HSP is opening a 5th classroom, and the Parlor aka Room 123 is being converted to a multi-use space. These projects are the result of Trustees, Finance, and Grant committee meetings as well as the result of a grant, combined with your weekly monetary support. Also, many thanks to our contractors who worked so capably on each project. It may smell of paint but what we really smell is the opening of our doors to many groups and ministries who will utilize this space to speak compassionate words and share love.

Pick for Book Club Announced

The United in Faith Book Club has chosen *Carved in Ebony: Lessons from the Black Women Who Shape Us* by Jasmine Holmes for the September book club discussion. Copies of the book are available at our local library as well as from your favorite book seller.

Say What? Our Worship Series for August

Most of us can recite the Lord's Prayer from memory, but do we know what we are saying when we pray, "Give us this day our daily bread?" What are we saying when we pray?
