Welcome and Call to Worship (James 3)

Not many of us should claim to be experts
because we make mistakes both in word and deed.
Not many of us should claim to be in control
because controlling our words is like taming a feral cat.
Not many of us should claim to be better than average
because our words can both build up and tear down.
Though we cannot claim to be experts,
**We come today asking to begin anew with kind,
redemptive words which speak of our love for you.**

Epworth Work Day Offering

Epworth Children's Home facilitates a foster care program, independent living center for young adults, and a newly launched kinship care program. HSUMC donated \$170 to this worthy ministry. If you missed out on giving last week, please give either online at heywardst.church. Use drop down box. Or make a check to HSUMC and designate Epworth.

Killingsworth Golf tournament

You don't have to play golf to support the work of Killingsworth; a living center for women healing from addiction, abuse or incarceration. If you do play golf, please sign up to play in the tournament on Monday, September 30. Or you can give a donation to sponsor prizes. HSUMC is a proud sponsor of a hole on the tournament. Please use the link www.killingsworth.org for more info.
