Welcome and Call to Worship

In a world where, thoughtlessly, we repeat patterns
from generation to generation,

free us from ignoring that which needs to change.

In a world, where we show favoritism & one-sidedness,

free us from overlooking those who deserve a chance.

In a world, where we take away freedom,

open our eyes to see where our choices cage and bind.

In a world, where grace, mercy, and kindness can heal
wounds and empower the future,

**enable us to change patterns that we thoughtlessly
repeat. Amen.**

A Story of Generational Favoritism

The story of the favorite son of a favorite son is our starting point for our Worship Series about faith ancestors who we may not know well. Joseph was the favored son and he wore a visual reminder in the form of a beautiful coat. What happens when a favorite child picks a favorite child? As you may guess, problems arise.
