With Gratitude: A Worship Series

As the holidays approach, we find ourselves creating opportunities for family traditions, favorite recipes, long awaited football rivalry games, and gifts carefully chosen. We enter this season of tradition with gratitude for what we do have; for family, friends, church, and home. We have more financial and social resources than we realize. As we anticipate the setting of Thanksgiving tables and decorating of Christmas trees, let us be actively thankful for that which we have and let our spirits discern how we can share our bounty with others.

"Putting on the Ritz", an evening of food, music, fashion, and silent auction, celebrates Killingsworth's ministry to women. The event is November 14 at Seawells from 6:00-9:00 pm.

Poinsettias

To adorn our sanctuary for Advent, we invite you to sponsor poinsettias in honor and/or memory of loved ones. Order forms will be available November 17.

Time to Put the Tree Up

We will decorate the Chrismon tree after worship on Sunday, November 24. We kindly ask your assistance with this project.

Christmas Music Concert featuring Carolina Jazz Society is Sunday, December 1 from 2:30-5:00 in our sanctuary. Please invite friends and family to join us for a lively afternoon of holiday music.
