## Welcome

### Call to Worship

adapted Psalm 118:24

This is the day

**when we gather with joyful hearts to receive the abundant love of our Creator God.**

This is the day the Lord

**reminds us we are forgiven for what we have done and what we have left undone.**

This is the day the Lord has made

**and the living, flowing Spirit encircles us with grace.**

**This is the day the Lord has made and we will rejoice and be glad in it.**

### The Porch Light is On: Time to Reset

When we were children, the turning on of the porch light signaled that it was time to come inside to reset, replenish, and regroup for the next day. This Summer, our worship series will focus on ways we can reset our connection with God, each other, and self.

### Time to Renovate and Repair [www.heywardst.church](http://www.heywardst.church)

In 2016, HSUMC launched a refurbished website. It's hard to believe it's been almost ten years but our website reminded us of its age when it glitched a few weeks ago. After observation and diagnosis, a new website design is necessary in order for us to continue to livestream and to host our church and preschool pages. The cost for the update is \$800. We have \$400 available via a technology grant. Therefore, our goal is to raise the matching \$400. To donate, give online via our website or write a check to HSUMC and designate "website."

The Book Pick for the August Meeting of Book Club is **Miracles and Other Reasonable Things** by Sarah Bessey.

### Taco Team Update

Many thanks for the monetary donations and for the volunteers via Sign Up Genius. We are well on our way to providing Taco Tuesday for the Salkehatchie Campers.

**Evangelism Committee** meets today at 11:35 am in Room 123.
