The Porch Light is On: Time to Reset

When we were children, the turning on of the porch light signaled that it was time to come inside to reset, replenish, and regroup for the next day. This Summer, our worship series will focus on ways we can reset our connection with God, each other, and self.

Dressing Up Our Digital Front Door

Heather, our admin assistant, dubbed our website, “the digital front door” and she is 100% right. Our community relies on www.heywardst.church for livestreaming of worship, electronic payments, and documents for our preschool. This front door to our ministry and mission needs to be user friendly, reliable, and easily accessible. To make the necessary updates, we are collecting \$400 to pair with our grant of \$400. When we reach our goal, we can green light the project. To donate, give online via our website or write a check to HSUMC and designate “website.”

The Book Pick for the August Meeting of Book Club is **Miracles and Other Reasonable Things** by Sarah Bessey.

Christian Sympathy is extended to the family of Gene Ulmer in their time of sorrow.

We kindly inform you our worship service is **livestreamed** at www.heywardst.church.
